## Support for Louisiana Floods

**American  
Red Cross**

To ensure people have additional support, the Red Cross will provide limited financial assistance for those who:

1. Do not qualify for federal disaster assistance; and
2. Have homes with major damage or have been destroyed.

For households who meet both qualifications, the Red Cross will provide \$125 per person (for a family of four, that equals \$500) to help with items like:

Food

Clothing

Repairs

Rent

### Other casework assistance provided by Red Cross includes:

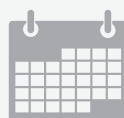

One-on-one Support

Referrals

Recovery Planning

Advocacy

The Red Cross will facilitate the registration process for people still staying in shelters. After registering, a Red Cross caseworker will be in touch within approximately 48 to 72 hours to verify the applicant's information. If qualified, people will be eligible for \$125 per person to support recovery efforts through a debit card or a deposit into a PayPal account. For those who do not qualify for Red Cross financial assistance, a Red Cross caseworker can still help to create recovery plans and locate assistance from other agencies.
